

## Lesson 19: Would you Rather?

Materials: would you rather cards

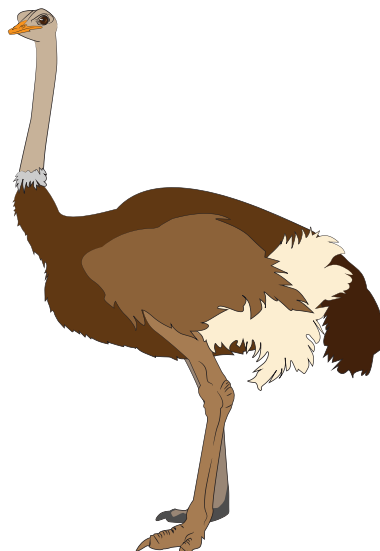

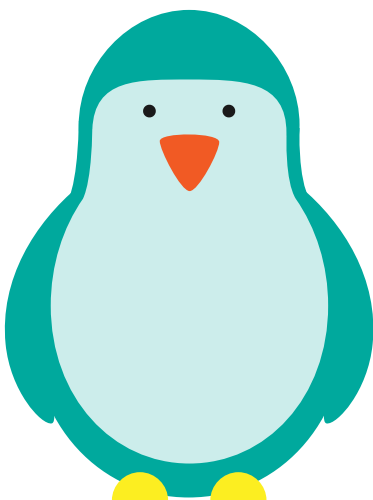

Set out a question card and two or three photo cards that go with the question.

Invite the children to place a feather (can just have them say their option)

Repeat until all questions have been asked.

Miss Daniela's class: Set out two photo cards at a time and ask children to take turns naming the bird they would want for a pet.

Challenge- Encourage children to make up their own Would You Rather questions and invite others to answer them with a brief explanation.

Would you rather  
have a penguin or  
and ostrich for a  
pet?

I'd rather have a  
pet penguin!
